Two drafts are submitted for consideration. There is much out-cry in public relating to the appointment of clerks and peons. Recently orders have been passed to the effect that no whole time peon is necessary for any Bench Court.

Regarding separate clerks for the Bench Courts, it often happens that no whole time clerk is necessary in most Courts. Heavily worked courts have been given clerks & in other Courts, the Judicial gumastha of the taluk office attends to court work on Court-days. In the case of Kolar, however, in calculating the cost, savings to be effected by the abolition of the posts of Judicial gumasthas have been taken into account. If they are to be removed, an order to that effect may have to issue to the Deputy Commissioner, and it then becomes necessary to give a clerk to each Bench Court. The other plan is to retain these gumasthas, and transfer some of them to those courts where work is

	justifies the grant of a separate clerk, while in the case of other Courts, these gumastas may attend as is done in other places, on Court days, and attend to their taluk office-work on non-Court days. The Deputy Commissioner may be consulted about this.
	The Dist Magistrate has said nothing about accommodation in his present letter. In a previous letter (3-5-1923) in connection with the introduction of the Scheme into Kolar, he had stated that for Kolar, Bowringpet, Mulbagal, Bagepalli and Malur, it may be necessary to hire buildings for Bench courts. In the draft order, it is stated that as far as possible accommodation may be made available in the taluk office. If the Dist Magistrate moves later for rent for hiring of necessary buildings, the rent may have to be sanctioned.

My dear sir,

In the proposals for the nominations to the Bench Courts, sent with this Office letter No. J.C. 221/ 23-24 dated 11th October 23, I have by inadvertance included the name of Mr. L. Vemareddi for the Magistrate's Court at Malur, as I did not know then that he was practising as a Mukhtyar. I now understand that he is in active practice and it is therefore undesirable to appoint him as a Magistrate. I request you therefore that his name may
